

COLOURFUL INTERIORS

BULLETIN BOARD is available in an exciting and intense range of 15 colours, that gives character and atmosphere to its environment.

The colours in the bulletin board collection have been harmonised with Forbo's offer in Marmoleum floor coverings which in turn also makes the them suitable for combinations with other materials such as wood, stone, aluminium or plaster, creating decorative as well as functional wall surfaces.

 122 cm | * also available in 183 cm
