

BIDMC Urgent Care Facility

Architect: Isgenuity

Contractor: Suffolk Construction

Location: Chestnut Hill, MA

For Beth Israel Deaconess Medical Center's new urgent care facility, NEC provided healthcare office casework for exam rooms, nurses' stations, medicine prep rooms, blood draw stations and a check-in area.

Plastic Laminate Casework

- Base and wall cabinets
- Fabric wrapped privacy and sound absorbing panels
- Wrap around reception desk

Work Surfaces

- Solid surface tops, window sills and phone booth
