

Casco Bay High School Science Lab

Architect: PDT Architects

Contractor: DiMatteo Construction

Location: Portland, ME

Casco Bay High School, located in Portland, Maine, was looking to renovate and update one of their chemistry classrooms. New England Caseworks was chosen to build cabinets and lab tables for the space.

Wood Veneer Casework

- Plain-sliced White Maple
- Hinged door wall cabinets
- Base and mobile cabinets

Work Surfaces

- Epoxy resin

Solid Wood Tables

- Adjustable-height, solid maple tables
