

Glen Urquhart School

Science Lab

Architect: Robert Olson + Associates

Contractor: Walsh Brothers

Location: Beverly, MA

The Glen Urquhart School is an independent school where teachers strive to engage students in order to stimulate the learning process. To emulate this hands-on approach, NEC fitted sciences labs with custom casework and teaching wall.

Wood Veneer Casework

- Maple veneer
- Base and wall cabinets

Teaching Wall

- Sliding markerboard doors
- Tackboard services

Work Surfaces

- Phenolic resin
