

Green Willow Dental Renovations

Design Assistance: New England Lab

Location: South Hamilton, MA

Green Willow Dental needed assistance to renovate their Dental Operator and Hygiene rooms. Cost savings were discovered through conceptual design and product selection with New England Caseworks.

Wood Veneer Casework

- Quartered White Maple
- Base cabinets with extendable work top
- Wall cabinets with cutouts to dispense gloves

Work Surfaces

- Solid Surface
- Phenolic Resin

Reception Desk

- Wood veneer with plastic laminate and solid surface tops
