

Harvard University Nocera Lab

Architect: Ellenzweig

Contractor: JBM Contracting

Location: Cambridge, MA

The research group of Daniel G. Nocera moved into their new Nocera Lab space, with help from NEC. With a concentration in researching renewable energy, the group chose NEC's wood casework made from FSC® certified and NAUF material.

Wood Veneer Casework

- Vertical Bamboo
- Fixed base cabinets
- Overhead shelving
- Tall cabinets with top glass doors
- Custom overhead carrier

Work Surfaces

- Epoxy Resin
