

# Boston Veterinary Clinic

## Seaport Office & Exam Rooms

Architect: Capone Architecture

Contractor: Stack + Co.

Location: Boston, MA

With a new location in Boston's Seaport, Boston Veterinary Clinic needed casework and millwork that met their functional needs and design aesthetic. NEC provided plastic laminate casework and lockers, exam room cabinets, display shelving and a reception desk.

### Plastic Laminate Casework

- Base and wall cabinets
- Exam room cabinets
- Waiting room benches

### Plastic Laminate Lockers

### Work Surfaces

- Corian Solid Surface
- Plastic Laminate

### Reception Desk
