

# Concord Town House

## First Floor Reconfiguration

Architect: TBA Architects

Contractor: Classic Construction

Location: Concord, MA

NEC was selected as the commercial millworker for the Town of Concord's first floor renovation of their town hall. The updates include wood casework in the public service lobby, offices and kitchenette.

### Wood Veneer Casework

- Painted shaker style
- Base cabinet, wall and tall cabinets
- Mailbox unit and wall shelving
- Display case

### Work Surfaces

- Plastic Laminate
- Butcher Block
